Dear Parents and Carers,

I hope you are all well. We have had some very positive feedback about the teachers' videos posted on the website this week and have been happy to hear how much the children (and you) have enjoyed them. Next week you can look forward to some special messages from our fantastic support staff.

Weekly phone calls are continuing to be made to our families by staff, and again it has been a wonderful to hear how well you are all doing.

Understandably, some of you have asked about the reopening of our School. We are following government guidance and will update you as soon as we have news. We do know that when we are all finally together it will be exciting and wonderful!

I have attached a book entitled 'Dave the Dog is Worried about Coronavirus' to this email which you may want to read to your young children if they seem troubled by the situation.

Some good news-many congratulations to Mrs Adebayo, Joseph in Nursery's Mum, who gave birth to a little boy this week!

Wishing you all a lovely weekend,

Miss Giovanna Finaldi

Message from Miss Collins:

As we once again stood outside our doors on Thursday evening, to clap for the key workers, I thought how very blessed we are to live amongst so many dedicated, talented and selfless people. Even within the terrible crisis facing our world currently there is so much good around us. The wonderful appreciation for so many workers and professionals is something I hope remains long after the pandemic has passed.

This is an historic time and I hope our children can look back when they are old and grey and tell their children and grandchildren of this time, talking not just of the sadness and the worry but of the laughter and the hope shared at home. I would like them to talk of the games played, the new activities they found themselves undertaking as they adapted to the situation. I hope they talk of the time the world paused and we all stayed indoors with a smile on their face. Please give them all a big smile and a cuddle from me.
