Dear Parents and Carers,

I hope you are all keeping well. It has been a pleasure for me to see and exchange a few words with so many of you around Catford when I go out to take my daily exercise.

Please keep an eye on the school website. We regularly update the homepage with information. Mrs Slattery will shortly be posting a link to a Zoom choir for children which the Lewisham Music Service is providing starting from next week. I think this is a lovely idea. I trust you have enjoyed all the videos messages the staff recorded for the children. If you haven't seen them yet, they are in the 'Classes' section of the website.

I hope you are enjoying the VE Day celebrations today – please do talk to the children about the importance of this 75<sup>th</sup> anniversary.

Wishing you all a lovely long weekend,

Miss Giovanna Finaldi

Head of School

## A message from Miss Collins

Another sunny lockdown week passes by. We have been so lucky with the weather during this difficult time. Even though we cannot be outdoors in the way we might choose; all day at the park or trips to the beach, the weather certainly does raise our spirits. I hope you are all keeping well and managing to balance the school work set with the important family time we all need.

When we receive government instruction on the further opening of our School we will make the appropriate arrangements and inform you immediately. We do miss our lovely children and their very lovely families and we know that when we can be together again it will be very special indeed. For now however, the safest place for us to be is at home.

I thank you for your on going support for our wonderful School. God bless you all.
