

Year: 3
Week beginning: 30th March

Work to be undertaken at home over the course of this week. Each day will consist of one English activity, one Maths activity and other tasks that should be completed during the week. You can find all the resources you need for these activities by clicking on the [blue hyperlinks](#).

Remember to access [Epic! Books](#) and [Prodigy Maths](#), using the login details on your emails. Additional activities can be found on [PurpleMash](#) or you can submit your work directly to me by writing it on here.

[Audible](#) is currently free for children and has some fantastic audiobooks.

If you have any ideas that can help improve our learning or just things you would like to share with everyone then please let me know by [email](#)!

Monday	Challenge	Email Mr Foster and tell him what your favourite thing about last week was. You will receive an email everyday this week with a challenge and there will be a prize for everyone who can complete each one.
	Maths	<p><u>What is 1, 10 and 100 more or 1 less?</u></p> <p>Read through the textbook chapter to remind yourself of the different strategies that you can use to mentally add and subtract 1, 10 and 100 from a 3-digit number.</p> <p>You can either complete the workbook questions in your green book or print the questions out and answer them straight on the page. Your answers will be put online tomorrow.</p>
	English	<p><u>What are my opinions on a story?</u></p> <p>Today, enjoy reading the second chapter of our new class read. Send me an email to let me know what you think about the story so far.</p>
	Geography	<p><u>What does a map include?</u></p> <p>We are looking at flags from around the world and trying to identify which flag belongs to which country on Busy Things. Think about what the different colours and symbols represent before designing a brand new flag for the United Kingdom. This could be done as a drawing in your book or submitted on PurpleMash as a digital picture.</p>
	Physical Activity	Create your own Joe Wicks style PE routine. Create 5 activities that can be done easily in a small space while making sure that your heart rate increases.
Tuesday	Challenge	Check your email for today's challenge.
	Maths	<p><u>How do I add two 3-digit numbers?</u></p> <p>Read through the textbook chapter to remind yourself of the different ways in which we can apply our knowledge of partitioning to help add two 3-digit numbers using different methods.</p> <p>You can either complete the workbook questions in your green book or print the questions out and answer them straight on the page. Your answers will be put online tomorrow.</p>
	English	<p><u>What do I know about the story?</u></p> <p>Reread the Chapter 2 of 'The Firework-Maker's Daughter' and complete the questions to show your understanding of the story so far.</p>
	RE	<p><u>What happened at Easter?</u></p> <p>Remind yourself about the key events from Holy Week and write a newspaper report to retell these events.</p>

		<p>Remember to include your headline, lead paragraph and main body to tell the reader all the key facts. Don't forget to include some quotes in your report to show people's opinions on the events.</p> <p>You can either write your news report in your book or use the newspaper template on PurpleMash.</p>
	Physical Activity	Set a challenge to everyone in your household...how many star jumps can they do in 1 minute? Who will be your family champion?
Wednesday	Challenge	Check your email for today's challenge.
	Maths	<p><u>How do I add two 3-digit numbers?</u></p> <p>Read through the textbook chapter to remind yourself of the how we can add two 3-digit numbers using column method when we need to regroup. r to remind yourself of the how we can add two 3-digit numbers using column method when we need to regroup.</p> <p>You can either complete the workbook questions in your green book or print the questions out and answer them straight on the page. Your answers will be put online tomorrow.</p>
	English	<p><u>What is a fronted adverbial?</u></p> <p>Today, we are going to use our 5 senses to help describe 'the Ceremony of the Full Moon' in Chapter 3. Use the planning template to help organise your ideas before writing your paragraph using fronted adverbials to help sequence and order your ideas.</p>
	Physical Activity	<p><u>How can I perform stretches?</u></p> <p>Find yourself somewhere peaceful to do some yoga. Why not convince the others in your house to practice alongside you and create some calm in your busy day?</p> <p>Try out the Star Wars Yoga from Cosmic Kids.</p>
Thursday	Challenge	Check your email for today's challenge.
	Maths	<p><u>How do I subtract two 3-digit numbers?</u></p> <p>Read through the textbook chapter to remind yourself of the different ways in which we can apply our knowledge of partitioning to help subtract two 3-digit numbers using different methods.</p> <p>You can either complete the workbook questions in your green book or print the questions out and answer them straight on the page. Your answers will be put online tomorrow.</p>
	English	<p><u>What do I know about the story?</u></p> <p>Reread Chapter 3 of 'The Firework-Maker's Daughter' and complete the questions to show your understanding of the story so far. questions to show your understanding of the story so far.</p>
	Science	<p><u>How can I plan a fair test?</u></p> <p>For this activity you will need 3 pieces of paper to create 3 paper airplanes. Your task is to create an investigation to discover which airplane is the best.</p> <p>Think carefully about what you will change and what will be kept the same to make this a fair test. What will you record to help identify which plane is the best?</p> <p>In your books you need to write the instructions for someone to carry out the investigation as well as create a method to record and show your results.</p>
	Physical Activity	Today you need to create a sporting activity that can be carried out in your house using things that are readily available to all. Devise the rules to your new sporting activity, such as keepy-ups with a rolled up pair of socks, and teach it to someone else.

Friday	Challenge	Check your email for today's challenge.
	Maths	<p><u>How do I subtract two 3-digit numbers?</u></p> <p>Read through the textbook chapter to remind yourself of the how we can subtract two 3-digit numbers using column method when we need to exchange.</p> <p>You can either complete the workbook questions in your green book or print the questions out and answer them straight on the page. Your answers will be put online tomorrow.</p>
	English	<p><u>How can I extend my sentences?</u></p> <p>Today, we are going to create a character description of the water goddess from Chapter 3. You will create simple main clauses to describe the introduction of this character and extend these using coordinating or subordinating conjunctions to help develop your ideas further.</p>
	Art	<p><u>What are my opinions on artwork ?</u></p> <p>In this lesson you will be looking at different self portraits and sharing your opinions on them. Choose one of the self portraits you feel most strongly about (in either a good or bad way), create your own version of the image and then summarise your emotions and feelings about the painting in three words before explaining what you like and dislike about the painting.</p>
	Physical Activity	Today, your task is to create as many seated and standing balances in 15 minutes. Then, try to put them in a sequence and perform your routine to an audience.
