Monday 4th January 2021

Dear Parents and Carers,

I hope you are all keeping safe and well despite the very difficult situation we are all facing. I am writing to inform you of the online work for your child/children during this period of partial School closure.

At Holy Cross we are using Microsoft Teams as our learning platform. Our Key Stage 2 children are familiar with this and know their log in details. Year 2 and Nursery will have their log in details sent by email today. Reception and Year 1 children have their log in details in their Planners. I attach a presentation to this email to explain to you how to log in to this system so that you understand the process and can help your child if needed. This is also available on the School website.

Each day our teaching staff will be giving three lessons to their classes, English, Maths and a foundation subject such as RE, Science, Geography etc. These lessons will be shown at 9:30am, 11am and 1:30pm. We feel it is best to give the structure of a school day for our children who are learning at home. It is essential that your child logs in and undertakes the work set just as they would if they were in School. The teachers will all be following our curriculum planned for the spring term. If your child is unable to join the lesson at the set time they will be able to access a recording of it at a later time but will not then be able to interact with the teacher.

This is a new venture for us all brought in as a result of the current situation, we hope it will all go smoothly. I thank you in advance for your continuing support and dedication.

Yours sincerely,

Miss Collins

Executive Headteacher of Aspire London
