

Holy Cross Catholic Primary School PE and Sports Funding 2019-2020

Each year the government gives schools additional funding to improve the provision of sport and PE. At Holy Cross we value sport highly for the impact it has holistically on our children. A strong PE curriculum and wealth of sports opportunities enables children to develop team spirit, individual skills and talents, respect, friendship, resilience, trust and an awareness of exercise on our physical and mental health.

Our aim is for all children to have experience of a wide range of activities, an enjoyment of sport, an appreciation of talent and performance and an understanding of the need for exercise in relation to our health.

Funding received 2019-2020:

Area of spend	Amount	Impact
Inter school sports events	£4000	Children are taken to different schools and event centres to compete with other children in the borough. This builds up experience, confidence, resilience and teamwork as well as sportsmanship.
Sports coach	£9500	The sports coach works with classes and teachers to help improve PE delivery. Teachers receive CPD whilst children enjoy sessions with experts.
Key Sage 2 fruit	£1500	Children are used to the fruit given in KS1, as they join KS2 it is important to ensure that healthy eating habits continue. Children see fruit as an enjoyable snack.
PE equipment	£3000	Children are enthused by a range of equipment being offered in PE lessons and at break and lunch times. This helps to develop agility, ability and experience.
Sports grant	£17,795	
Total spend	£18,000
