

## Holy Cross School Newsletter Friday 26<sup>th</sup> April 2024

Dear Parents and Carers,

We have had a very busy week here at Holy Cross, the children work incredibly but also have so much fun. It is always a joy to walk around the School, and listen to excitement about their learning. I am very proud of all of amazing children and staff who make Holy Cross such a special place to be a part of.

### Year 1 Assembly

Today our fabulous Year 1 children performed their assembly all about the different seasons. The children have worked incredibly hard for this assembly and all their hard work shone through today. They performed dances, poetry, used instruments and amazing songs! Wow! Well done Year 1. My thanks to Mrs Wilson, Mrs Downton and Mrs Ley for all their work and efforts behind the scenes.

### **Rosary**

As next week is the beginning of May we will be holding the full Rosary on each Friday morning. This will begin at 8.30am in the hall. It is a wonderful occasion for the School community to come together in prayer during this special month.

### **Year 3 Library Trip**

Year 3 went to Torridon Library yesterday, for a session about the Romans. They clearly loved the session and were very keen to tell me that Roman's think it's polite to burp! Thank you to all the parent helpers who made this trip possible.

### Composer of the Week: Leonard Bernstein

This week, we are celebrating the life and work of Leonard Bernstein, a renowned composer, conductor, and pianist. Bernstein was born on August 25, 1918, in Lawrence, Massachusetts, and passed away on October 14, 1990, in New York City. He is best known for his compositions such as "West Side Story," "Candide," and "On the Town," which have left an indelible mark on the world of music. Bernstein's innovative style and ability to blend classical and popular music genres have earned him widespread acclaim.

You can learn more about the composers that we are exploring in school by visiting the Music section of the school website.

### **UNICEF Rights Respecting School**

This week, we commemorated Earth Day by reflecting on the importance of environmental conservation and sustainability in achieving the UN's Sustainable Development Goals. Earth Day, celebrated annually on April 22nd, serves as a reminder of our collective responsibility to protect and preserve our planet for future generations. In our UNICEF lessons, we discussed how each of the Sustainable Development Goals contributes to environmental well-being, from Goal 13 (Climate Action) to Goal 15 (Life on Land).

As part of our Earth Day activities, children are tasked with creating an Earth Day themed poster advocating for actions to care for our planet. This homework encourages everyone to express their commitment to environmental stewardship and raise awareness about the importance of protecting our natural world.

**Message from Miss Collins:**

Another busy week has rushed by but at least as I stood on the gate at the end of the day, I was not frozen as I have been on other days this week! When is summer coming? Goodness me!

The children have all worked wonderfully as always this week and the staff have been their usual fabulous selves. Nothing is ever too much for the staff of Holy Cross and I thank them for their dedication to our children – we are blessed to be part of such a wonderful community.

Have a wonderful weekend and enjoy a rest – I hope you do all get some sort of rest!
